## About Us

Since its inception in 2015, Courtney Christian School has experienced tremendous growth and innovative campus planning to accommodate our nearly 420 students in Pre-K3 through eighth grade. Our students receive excellent education which includes a quality academic program, as well as a Biblical worldview, Godly character training and knowledge of our nation's Christian heritage in a safe, loving environment.

## Annual Growth

Actual annual enrollment 2015-2022; 2025 projected

Courtney Christian School positively affects economic development in Hammond, Louisiana, and the surrounding areas by offering another educational option to our community. Courtney Christian School is funded only through tuition and fees. The Raise the Roar capital campaign will allow Courtney Christian School to continue the strategic expansion of its facilities and continued excellence in Christian education.

## COURTNEY CHRISTIAN SCHOOL GYMNASIUM EXPANSION ROBIN HOOD DRIVE HAMMOND, LOUISIANA

## Key Improvements

- Additional classroom space to accommodate up to 500 students by 2025
- Three new enrichment classrooms: Art, Music, Accelerated Reading
- Additional court space and new bleachers to accommodate spectators at Gymnasium events

"The school has grown so much but still offers a warm feeling. Never more than now do we need a faith-based school where kids can get such a quality education."

- **Phil Livingston, Grandfather of CCS Alumnus and Community Member**
