

May 4, 2026

Dear Parents/Guardians of 8th–12th Grade Students for the 2026–2027 School Year,

Your child received the CCS Summer Learning Packet, along with instructions for accessing the Khan Academy online program. In order for your child to participate in the Khan Academy summer learning activities for grammar and math, a parent/guardian must **sign and return the Parent Permission Form.**

Students must complete the online Khan Academy assignments as well as read a novel from the list attached. If your child has a novel that he/she would like to read instead of what is on the list, approval **MUST** be obtained by me **BEFORE** starting the novel.

Here is a breakdown of the points that your child will receive as his/her first assignment grade for the 2026-2027 school year.

Summer Learning Requirements – 2026:

- **Khan Academy Online Program (Math and Grammar/Rdg & Vocab):**
 - 20 points for math and 20 points for grammar or reading & vocab graded on percent completed
 - Due no later than **August 7, 2026**
- **Novel Reading Assignment (see list in packet):**
 - 26 points total (see rubric attached)
 - Due no later than **August 21, 2026** to the English/Literature teacher

You will find the following attached:

- Summer Learning Packet
- Online Access Instructions
- Parent Permission Form

Once I receive the signed Parent Permission Form, I will provide your child with their username and password for the Khan Academy program. If the signed form is received after your child has been dismissed for the summer, I will email the login information to you. If you prefer, I can also send the login details directly to you via email.

As always, if you have any questions, please do not hesitate to contact me.

Dr. Melanie Monistere
High School Principal
